REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose the second non-folded portion extending from the second folding guide lines to the rear end edge of the article, the second non-folded portion being unfolded in its entirety. The closest prior art of record, U.S. Patent 3,924,627 to Nystrand, has folding guide lines 13 and 15 which fall within the second zone extending from the second folding guide lines 17 and 19 to the rear end edge, and therefore the second zone of Nystrand is not an unfolded zone.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to C. Lynne Anderson whose telephone number is (571) 272-4932. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tanya Zalukaeva can be reached on (571) 272-1115. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
